## *WHO IS AN ADDICT?*

*Most of us do not have to think about this question. WE KNOW! Our whole life and thinking was centered in drugs in one form or another — the getting and using and finding ways and means to get more. We lived to use and used to live. Very simply, an addict is a man or woman whose life is controlled by drugs. We are people in the grip of a continuing and progressive illness whose ends are always the same: jails, institutions, and death.*

### ***Suggestions for Staying Clean:***

- *Attend 90 meetings in 90 days*
- *Avoid old playmates and playgrounds*
- *Get involved and get a home group*
- *Ask for phone numbers and use them*
- *Spend time with recovering people*
- *DON'T USE, NO MATTER WHAT*
