WHO IS AN ADDICT?

Most of us do not have to think about this question. WE KNOW! Our whole life and thinking was centered in drugs in one form or another — the getting and using and finding ways and means to get more. We lived to use and used to live. Very simply, an addict is a man or woman whose life is controlled by drugs. We are people in the grip of a continuing and progressive illness whose ends are always the same: jails, institutions, and death.

Suggestions for Staying Clean:

- *Attend 90 meetings in 90 days*
- *Avoid old playmates and playgrounds*
- *Get involved and get a home group*
- *Ask for phone numbers and use them*
- *Spend time with recovering people*
- ***DON'T USE, NO MATTER WHAT***
